

Contingency Plan

Why BACS Contingency planning is essential

A Contingency Plan is essential to safeguard your BACS Payment and Collection Process

- How would you submit Direct Debit or Payment files to BACS with a Server failure?
- What would happen if your Smart Card expired, was lost or even stolen?
- If you were unable to submit a BACS file as you couldn't gain access to your office, how would deal with the consequences?
- Your colleague has spilt coffee on your smart card reader! How will you send your Payroll file to BACS?

Contingency Plan

Why BACS Contingency planning is essential

A Contingency Plan is essential to safeguard your BACS Payment and Collection Process.

- How would you submit Direct Debit or Payment files to BACS with a Server failure?
- What would happen if your Smart Card expired, was lost or even stolen?
- If you were unable to submit a BACS file as you couldn't gain access to your office, how would deal with the consequences?
- Your colleague has spilt coffee on your smart card reader! How will you send your Payroll file to BACS?

Many of these situations regularly occur to businesses and are often unavoidable. With a Contingency plan in place you and your business will be safeguarded against the consequences of missing payment or collection runs.

With customers submitting files to BACS via software and Cloud based platforms, Interbacs offer a number of contingency options, designed to match your businesses needs and budget.

Benefits of having Interbacs' Contingency:

- The ability to submit files to BACS securely even if your card holder is unavailable
- Interbacs can assist with submitting files from anywhere with an internet connection
- Have peace of mind, knowing you won't miss a vital payment or collection run
- With a quick, easy, low cost set up, Interbacs Contingency can avoid administrative disruption, plus reputational and financial damage.

About Interbacs

Interbacs was established by BACS software developing experts and over the years have attracted further development talents, management expertise and banking expertise to join the team making us a great source of solutions and support for all your BACS payments processing needs.
